Auditor's Report on Municipal accounts for March 1907.

1. Under the head "Licenses" a sum of Rs 1,811-8-0, under the head of "Scavengering cess" a sum of Rs. 4,872-6-0, and under the head of "Sale of manure" a sum of Rs. 737-1-6 have been shown as arrears due. None of these items should in the nature of things fall into arrears. These require explanation and prompt attention.

2. Seventy or eighty tins of kerosene-oil are purchased every month for lighting portions of the City departmentally. Whether the departmental management is economical or otherwise, requires scrutiny.

3. Vouchers 127 and 128 relate to an expenditure of Rs. 6-4-0 and Rs. 4-8-0 respectively for purchasing rulers and file-boards, etc. These are proper charges on contingent amount sanctioned in the budget, but we find that these items are put under the head of "Tools and plant." This method is irregular.

Resolution.—The Council considering the large improvements that are being carried out by the Sanitary Department, is of opinion that it would be detrimental to the health of the City and to the profits of the proposed sewage farm if the Thigalars were allowed to use the sewage on its way to the Sunnakal tank bed and accordingly resolves that this practice should henceforth be put a stop to.
